"DON'T HIT PEOPLE. CLEAN UP YOUR MESS."

How easily many people forget, and compromise common sense in favor of corporate profit. They trash the environment and disregard our children's future. Some of your money may be invested with such compromisers.

None of our Money Fund is. We screen out companies that have a history of environmental violations, and we don't invest in nuclear power plants.

This gives you the opportunity to show that you care. If you call our toll-free number, we'll explain how simple it is to invest safely, and wisely.
